OF THE ELECTRONIC TABULATING EQUIPMENT**

We, the undersigned County Court Judge, County Commissioner, and Supervisor of Elections, constituting the County Canvassing Board appointed to act during this election, do, by our signatures hereto, certify that to the best of our knowledge:

1. On June 25, 2010 commencing at approximately 9:20 am, the Supervisor of Elections had the electronic tabulating equipment, located in the Supervisor of Elections' Office, tested to ascertain that the equipment will correctly count the absentee and precinct ballot votes cast for all candidates and issues.
2. The undersigned compared the test results with the predetermined totals for each candidate and issue and, pursuant to the requirements established in Section 101.5612, Florida Statutes, observed the performance and results of all required tests and verified the correctness of the program and test ballots, as well as any replacement of said materials required by said tests, subject to said tests.
3. At the completion of this public test, the ballot tabulation network is protected from unauthorized access. The verified public test report and test ballots are placed in the custody of the Supervisor of Elections in a security protected vault.
