

LOGIC AND ACCURACY TEST PLAN – Mail Ballot Election

Lake Asbury Municipal Service Benefit District Special Election

Date of Election: October 12, 2021

- All Public Tests will be performed at the Supervisor of Elections Office, Clay County Florida.
- The Supervisor of Elections provides for a video recording device to record the proceedings.
- The Canvassing Board will attest to approval of the test plan.
- A prepared test deck of optical scan ballots produced by B.O.D is scanned through the DS850 Mail Ballot Counter.
- The Public Test totals will be compared to a prepared listing of expected vote totals.
- One cumulative report will be produced by the Tabulation Network for the DS850 totals.
- The Public Tests are conducted with the identical hardware and software used for the actual election.

We, the undersigned County Court Judge, and County Commissioner, and Supervisor of Elections, constituting the County Canvassing Board appointed to act during this election, do, by our signatures hereto, certify that to the best of our knowledge the above listed procedures were used in the conduct of the Public Test(s) on October 8, 2021 for the Lake Asbury Municipal Service District Special Election.

**CERTIFICATION
OF THE PUBLIC TEST
OF THE ELECTRONIC TABULATING EQUIPMENT**

We, the undersigned, constituting the County Canvassing Board appointed to act during this election, do, by our signatures hereto, certify that to the best of our knowledge:

1. On October 8, 2021 commencing at approximately 9:00 a.m., the Supervisor of Elections had the electronic tabulating equipment, tested to ascertain that the equipment will correctly count the Mail ballot votes cast.
2. The undersigned compared the test results with the predetermined total and, pursuant to the requirements established in Section 101.5612, Florida Statutes, observed the performance and results of all required tests and verified the correctness of the program and test ballots, as well as any replacement of said materials required by said tests, subject to said tests.
3. At the completion of this public test, the ballot tabulation network is protected from unauthorized access. The verified public test report and test ballots are placed in the custody of the Supervisor of Elections.
