

LOGIC AND ACCURACY TEST PLAN FOR MUNICIPAL ELECTIONS

Election: 2024 Keystone Heights Municipal -All-Mail Ballot

Date: April 5, 2024

- All Public Tests will be performed at the Supervisor of Elections Office.
- The Supervisor of Elections provides a video recording device to record the proceedings.
- The Canvassing Board will attest to approval of the test plan
- A prepared deck of optical scan ballots produced by B.O.D is read through the Model DS850 Absentee Ballot Counter.
- At least one (1) precinct for each ballot style will be counted to ensure that each authorized race and ballot position is tested.
- The Public Test totals will be compared to a prepared listing of expected vote totals.
- One cumulative report will be produced by the Tabulation Network for the DS850 totals.
- The Public Tests are conducted with the identical hardware and software used for the actual election.

We, the undersigned Canvassing Board Members appointed to act during this election, do, by our signatures hereto, certify that to the best of our knowledge the above listed procedures were used in the conduct of the Public Test(s) for the Keystone Heights Municipal Election.
