

# Mail Ballots

## Open Mail Ballots

Volunteers make up three person teams who remove ballots from envelopes and secrecy sleeves, then flatten ballots to be tabulated. The process ensures the voter's right to a secret ballot.

## Duplicate Mail Ballots

Volunteers work in pairs to duplicate Mail ballots which cannot be read by the optical scanners. The ballot is then presented to the Canvassing Board for approval.

# Fair & Festivals

## Clay County Fair & Various Festivals

Volunteers assist residents who wish to register to vote or update their registration information, answer any questions voters may have, and pass out informational material.

## Other Community Events

Volunteers assist residents who wish to register to vote or update their registration information, answer any questions voters may have, and pass out informational material.

## Schools

### High School Registration Drives

Volunteers assist students as they register to vote and update their information.

### High School Elections

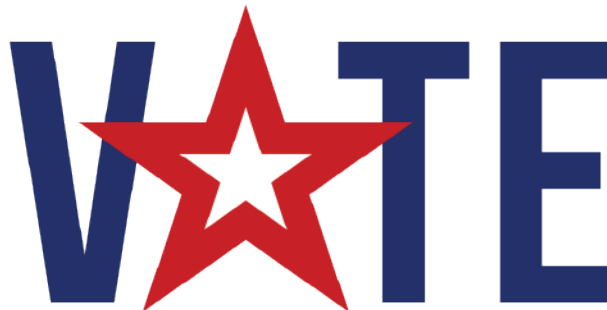

Volunteers assist staff by setting up voting booths, passing out ballots to the students, and helping students scan their ballots through the tabulation machine.

## Supervised Voting

Volunteers and staff from the Supervisor of Elections office visit each nursing home and assisted living facility in the county to provide residents the opportunity to vote.

Volunteers provide the foundation for the success in Clay County elections by serving in a variety of areas. Interested in volunteering? Please complete the form here and return it to our office or visit us online at **ClayElections.gov** for more information.
