Judging

The “I VOTED” Sticker Contest is an opportunity to engage in the democratic process in a creative way. Each piece of art is judged on the following criteria:

- The artist followed directions outlined in guidelines (medium, size, general theme, etc.).
- The art is appealing.
- The art is non-partisan
- The entry offers an understandable and accurate message.
- The graphics are balanced, striking and original.

The Supervisor of Elections will never alter original artwork.

When it comes to displaying artwork on the Supervisor of Elections’ website and on reproductions of the art in election publications, the Supervisor of Elections reserves the right to make changes to an entry for reasons that may include, but are not limited to: misspellings, inaccurate information, candidate or political favoritism.

The winner will be announced in January 2026 and the winning design will be reproduced on stickers and given to voters in the 2026 Primary and General Elections.
