

LOGIC AND ACCURACY TEST PLAN FOR MUNICIPAL ELECTIONS

Election: 2025 Green Cove Springs Municipal

Date: April 4, 2025

- All Public Tests will be performed at the Supervisor of Elections Office.
- The Canvassing Board will attest to approval of the test plan.
- The Election Day DS300 Tabulator shall be tested for the Public Test.
- 1 ExpressVote ADA Solution Unit shall be demonstrated for Audio and Visual capability for the Public Test.
- A prepared deck of optical scan ballots produced by B.O.D is read through the Model DS950 Absentee Ballot Counter and Model DS300 Tabulator.
- At least one (1) precinct for each ballot style will be counted to ensure that each authorized race and ballot position is tested.
- The Public Test totals will be compared to a prepared listing of expected vote totals.
- One cumulative report will be produced by the Tabulation Network for combined DS300 and DS950 totals.
- The Public Tests are conducted with the identical hardware and software used for the actual election.

We, the undersigned Canvassing Board Members appointed to act during this election, do, by our signatures hereto, approve the above listed procedures in the conduct of the Public Test(s) for the Green Cove Springs Municipal Election.
