

LOGIC AND ACCURACY TEST PLAN

Election: 2026 General

Date: November 3, 2026

- All Public Tests will be performed at the Supervisor of Elections Office.
- The Supervisor of Elections provides for a video recording device to record the proceedings.
- The Canvassing Board will attest to approval of the test plan.
- 5% or 10, whichever is greater, of selected DS300's shall be tested for the Public Test.
- 1 ExpressVote ADA Unit shall be demonstrated for Audio and Visual capability for the Public Test.
- A prepared test deck of optical scan ballots produced by B.O.D/Vendor is read through the DS850 and or DS950 High-Speed Counter and DS300 Tabulator.
- At least one (1) precinct for each ballot style will be counted to ensure that each authorized race and ballot position is tested.
- The Public Test totals will be compared to a prepared listing of expected vote totals.
- One cumulative report will be produced by the Tabulation Network for combined DS300 tabulators, and High-Speed counters total.
- The Public Tests are conducted with the identical hardware and software used for the actual election.

We, the undersigned County Court Judge, and County Commissioner, and Supervisor of Elections, constituting the County Canvassing Board appointed to act during this election, do, by our signatures hereto, certify that to the best of our knowledge the above listed procedures were used in the conduct of the Public Test(s) on October 9th for the 2026 General Election in Clay County, Florida.

COUNTY CANVASSING BOARD:
